ANNUAL REPORT YEAR 2024

Greetings in Jesus Name

Dear TOG Church Family & Friends,

Trust you had a blessed time this Christmas & New Year!

It is always a joy to look back at the end of each year and thank the Lord for all the wonderful things He has done. We are grateful for every opportunity given to us to serve Him, serve His people and bless the lives of those around us. Our desire is to re-present Him accurately to those in the church, the city, the nation, and the nations.

As a church we continue to stay focused on our Biblical mandate to make disciples (Matthew 28:19), to nurture every believer into Christlikeness (Ephesians 4:11-13) and to equip God's people for the work of the ministry. At TOG every believer is a minister!

As we reflect on the blessings of 2024, we stand in awe of God's faithfulness and your unwavering support. This year, we continued to grow our ministry, reaching new milestones in spreading the Gospel and supporting communities. Supported churches, established self-supporting churches, and planted new branches. Expanded the Theological Institute with additional programs and resources. Strengthened partnerships with organizations locally and internationally to empower the underprivileged.

A big thank you to all our staff, pastors, volunteers and to all of you who are part of what God is doing at TOG !

We like to look at data as it gives us an understanding of where we are, areas where we need to improve and a clear assessment of our work. We would also like to share this with our congregation and those whom we serve, as an expression of our accountability to you.
